PHOTO/ARTWORK RELEASE

Throughout the school year, we take a variety of photographs of our students in their day-to-day class settings as well as at special school and mass events. And our students participate in a variety of art projects. There are times we would like to use these photos and works of art to promote our school, celebrate our successes and share our student's faces and talents with others. By completing the signing this agreement, you give St. Mary's School the permission to use your child(rens) photos and/or artwork.

I hereby give St. Mary's School the right and permission to publish, copyright and use pictures, video and/or artwork of my child(ren) in whole or part, composite or retouched in character or form. I understand these photographs, videos and/or artwork may be used in various forms and media and in all manners for advertising and promotions of St. Mary's School.
