

**FAMILY SERVICE HOURS COMMITMENT FORM—2011-2012**

Dear Parents,

As you register your child(ren) for the 2011-2012 St. Mary's School year, we want to remind you of the importance of your commitment to volunteer at least **35** service hours for the school. So that we can best plan the next school year, we ask that you take the time, at registration, to complete **both sides** of the "Family Service Hour Commitment Form." *Your child's registration will not be complete without this form filled out and returned to the office.* We ask that you take the time now to consider how you might help out next year.

**Remember when completing the form:**

- Be sure to complete your family information on **both pages** of the form. Only one form for each family is necessary.
- We need parents willing to coordinate activities. We also need more helpers than coordinators. Please list at least two areas where you can be a helper and consider coordinating an activity as well.
- There is a wide range of volunteer possibilities. Take the time to read all the opportunities before selecting an area where you might help. Please refer to St. Mary's website: [www.stmarys-boise.org](http://www.stmarys-boise.org) under Parent Handbook "Parental Responsibility" for clarification of acceptable volunteer hour activities.

Please know that you and your family are appreciated for all that you do to help make St. Mary's School such a terrific school! Thank you!
